Dear Sir:

We have organized A Semi Pro B.B. League consisting  
of Durham, Greensboro, Columbia, S.C. and Wilmington.  
We will have two more cities before the Season Starts.  
We have just organized and haven't had stationary  
printed yet. I was elected Chief booking agent for  
clubs not in our League. I just want to let you know  
if you desire to play in Greensboro or any of the  
above name cities please contact me. I certainly do  
hope I can book your club this year.

Very truly
